Undergraduate

✉ joelwinston@stud.tjut.edu.cn | ☎ (+86)13834144577

Education

Tianjin University of Technology   **Tianjin , China**

        B.Eng IN COMPUTER SCIENCE AND TECHNOLOGY   *Sep. 2020 – Now*

University of Quebec at Chicoutimi   **Quebec , Canada**

        B.ASc IN INFORMATION MANAGEMENT & INFORMATION SYSTEM   *Sep. 2020 – Now*

Major GPA: 3.88 / 4.3 （Details in transcript）

Skills

Programming : C/C++, Java, Python, MATLAB(rarely used)

Framework : Pytorch, Keras (a little)

Tools : LaTex and Markdown

Math ↘

    Course of school (2020−2021): Multivariable Calculus / Linear Algebra /Discrete Mathematic

        (Details in Transcript)

      Other : I took some graduate courses (machine learning and convex optimization)

Experience

TJUT Key Laboratory of Computer Vision and System, Ministry of Education of China PR   *Oct . 2021 – Now*

Take part in a research topic (cooperated with a graduate student of Lab) of Video/Image semantic segmentation based on Few-Shot Learning(or Prototype Learning)

Awards

2021   **3rd Prize Scholarship Award**

      Top 10% student in CS Department ,Tianjin University of Technology

2021   **1st Prize of 12th LanQiao Cup (Provincial Level)**

      Top 5% of all contestants of a Collegiate Programming(For Algorithm&Data Structure) Contest
